what is the reality of being a midwife in the twenty first century what is it like to help and support women throughout pregnancy and childbirth and into motherhood what roles can midwives play in society this new edition of the popular text becoming a midwife explores what it is to be a midwife looking at the factors that make midwifery such a special profession as well as some of the challenges the fully updated chapters cover a variety of settings and several different stages in a woman's pregnancy including stories from midwives working in hospitals and in the community as managers supervisors and educators and as men women mothers and birth activists all chapters are narrated by contributors who introduce their own theme recount a vignette that throws light on their understandings of midwifery and reasons for becoming or not becoming a midwife and any subsequent career moves backed up by commentaries and drawing together these insights the editors show what it means to be a midwife today suitable for those contemplating a career in midwifery and providing an opportunity for reflection for more experienced midwives this thought provoking

book is an invaluable contribution to midwifery

the nmc have produced standards of proficiency for pre registration midwifery education and those standards have been written in an academic language for higher education institutions each student prior to being admitted to the profession must have achieved the proficiencies stated in the nmc publication the purpose of this book is to provide students with material related to the standards of midwifery education the students will be able to use the contents of this text and relate it to their own approved programme of midwifery study as their programme of study would have had to comply with nmc s requirements it will help student midwives appreciate how their own programmes have been designed and why they are required to study and understand some of the subjects they are or will be studying

the sunday times bestseller from the co host of the podcast what the midwife said no sleep for twenty hours no food for ten and a ward full of soon to be mothers midwives are there for us at some of the most challenging empowering and defining moments of our lives from heart wrenching grief to the pure joy of a new born baby midwife leah hazard has seen it all but life on the nhs front line working within a system at breaking point is more extreme than you could ever imagine moving and compassionate funny and unexpected leah shares her experiences in this extraordinary love letter to new mothers and fellow midwives everywhere the stories in hard pushed highlight the bravery of our midwives and the women they care for christie watson author of the language of kindness heart rending inspiring and funny hard pushed brings alive the world of midwifery in all its complexity and radiates love and respect for women professor lesley page cbe former president of the royal college of midwives it is leah hazard s capacity to love and give so personally to the many thousands of women she has worked with which imbues this book with its power julia samuel author of grief works not only powerful but well written too daily express a riveting read heartwarming and heartbreaking sheena byrom obe midwifery consultant and author of catching babies a beautifully written intimate portrait of the extraordinary work that midwives carry out each and every day caroline elton author of also human the inner lives of doctors

maria anderson trained as an nhs nurse and went on to become a midwife a job she has adored for over twenty years after fainting whilst attending her first three births maria went from nervous trainee to assured midwife and in her brilliant memoir she recounts the highs and lows of life inside the maternity unit from frantic fathers and breaking her hand during a traumatic home birth to witnessing the delivery of quads and the ultimate devastation of assisting the delivery of a stillborn baby maria has had an extraordinary career tales of a midwife is a funny poignant and heart warming account of a devoted midwife

this volume explores the unique challenges midwifery graduates face as they move into practice it identifies the similarities and differences in midwifery education regulation and clinical practice faced by graduate midwives in all continents examining the various support systems available for graduate midwives in many countries and identifying the common strategies formal and informal and approaches that have proved to be effective in supporting midwifery graduates the book volume brings together the experiences of new midwives starting out in registered practice to share the challenges and triumphs during their transition to confident practitioners it identifies explains and details both established and innovative new mechanisms in place to support new midwives in each country and examines the effects the experiences of transitioning to practice may have on future professional practice resilience and sustainability lack of support during the new graduate transition to practice has been associated with early attrition from the midwifery profession stress disillusion and horizontal violence have been identified as factors that influence midwifery attrition rates exploration of the various support mechanisms currently available in different countries may stimulate the sharing of best practices in providing new midwives with transition to practice programmes and generate further research each chapter is harmonized to facilitate the comparison between countries and the maternity services context is explained using each country's specific legislation regulation and registration of midwives the preparation of midwifery students for qualified practice is outlined to explain how midwifery students are trained and socialized into the profession mentored in their placements and then transitioned to registered midwife status this book appeals to midwives managers educators and newly graduated interested in international midwifery practice

an insightful honest memoir by a remarkable woman alycin hayes author of amazon hitchhiker an extraordinary book by a person of deep faith and courage kenneth d wald author of forthcoming ghosts on the wall adventures of a midwife chronicles the journey of a woman with a goal determined to excel in spite of life's challenges we cheer for her every stage of her lifelong sojourn leo hines writers alliance of gainesville adventures of a midwife finding joy on the journey relates the challenges elsie wilson had in becoming a nurse midwife in the mountains of eastern kentucky and the rainforests of congo africa this memoir describes her struggles in surviving abuse cancer depression and fire her commitment to missions which started at age thirteen grew when she won a nursing scholarship and cared for her dying mother the doubt and uncertainty that she could be used by god was dispelled as he took her on a journey only he could design ending in joy she never imagined she would be driving up creek beds in a jeep crossing over swinging bridges or examining a pregnant woman with a snake hanging over her head delivering babies in shacks with newspapers on the walls and depending on god in life threatening circumstances developed an inner joy despite these difficulties god's faithfulness and grace provided the strength to survive the

trauma she experienced and led her to become a spiritual midwife

the ebook version of this title gives you access to the complete book content electronically evolve ebooks allows you to quickly search the entire book make notes add highlights and study more efficiently buying other evolve ebooks titles makes your learning experience even better all of the ebooks will work together on your electronic bookshelf so that you can search across your entire library of midwifery ebooks please note that this version is the ebook only and does not include the printed textbook alternatively you can buy the text and evolve ebooks package which gives you the printed book plus the ebook please scroll down to our related titles section to find this title i still have the confidence of that whole period and i think that will stay with me for the rest of my life definitely a great sense of triumph really it's incredible being a midwife today requires not only good clinical skills but also a broad understanding of the social and emotional changes a woman goes through before and after birth the new midwifery second edition looks at combining scientific knowledge with the more intangible skills needed in sensitive communication to provide the best possible care for the mother and her family there was a kind of silence in the relationship a stillness which was very important and we'd done all the talking in the build up so the talking was done i felt confident that she the midwife knew where i was coming from and vice versa it was like we'd done all our dress rehearsal what if what if and on the day there was nothing left to say really so it just felt very calm and i think that was the most important thing the second edition of this celebrated text explores vividly the various skills and approaches that lead to successful midwifery practice and uses care stories to bring these to life building on a thorough grounding of theory and research evidence the new midwifery will enable all midwives to practise with a more effective range of skills and as these real life quotes from mothers bear out provide unique professional support before during and after birth i think we had a really good relationship actually it was more of a friend relationship but a friend you could trust in a professional friend you could rely on provides a refreshingly new approach to key areas of midwifery practice in a way that brings practice to life illustrates and supports the fundamental changes currently taking place in midwifery around the world builds on the most up to date evidence based research to suggest guidelines for best practices explores the impact of parenthood and offers strategies for effectively supporting individuals during this period of transition includes care stories case studies that highlight positive midwifery care and successful childbirth experiences offers contrasting stories from around the world illustrating how maternity care in industrialized society differs from that in a non industrial or third world environment provides up to date research and reference material

presented in the form of a play in three acts this is the trial of a traditional

homebirth midwife midwife dutton is charged with practicing medicine without a license and child abuse you the jury must decide the fate of the midwife based upon legal arguments and witness testimony from actual midwife trials yet even after hearing the facts and seeing onstage reenactments this remains a complicated case that pits modern medicine and scientific rationalism against traditional women s ways the audience is ultimately asked who is to blame when a home birth goes bad

all your pregnancy and birth questions answered by experienced midwives what s best to eat during pregnancy how many minutes apart should my contractions be what s a great tip for a good night s sleep when it comes to dispensing care advice and friendly reassurance during pregnancy and labour midwives are the health professionals mothers want to turn to find 1 000 real life questions to midwives answered with up to date information you can trust covers everything you need to know from conception to the first weeks of life with a new baby draw on the experience of long term midwife catherine parker littler and midwivesonline com ask a midwife is like having your own a midwife on call 24 hours a day

no sleep for 20 hours no food for 10 and a ward full of soon to be mothers welcome to the life of a midwife leah hazard s work in the maternity wards of the nhs frontline is more extreme than you could ever imagine from the bloody to the beautiful from moments of utter vulnerability to remarkable displays of strength from camaraderie to raw desperation from heart wrenching grief to the pure perfect joy of a new born baby leah has seen it all through her eyes we meet eleanor whose wife is a walking miracle of modern medicine their baby a feat of reproductive science crystal pregnant at just 15 the precarious flickering life within her threatening to come far too soon mrs bhatti a bangladeshi lady who insists that leah simply must write her own elaborate thank you card and pei hsuan who has travelled hundreds of miles to somehow find herself at the open door of leah s ward

mayes midwifery an established key textbook for students and qualified midwives contains essential knowledge for professional practice for this 14th edition each section and chapter has been fully updated and enhanced by leading authors to ensure the text complies with contemporary practice and current guidelines added benefits are the availability of a variety of additional online resources for each chapter including case studies video and website links and a bank of multiple choice questions to test knowledge with a strong emphasis on normal birth the book covers the spectrum of midwifery related topics applied to practice providing a foundation of knowledge and encouraging independent thought through the use of reflective exercises in each chapter and online the book provides midwives with material that meets individual ways of learning and supports current modes of midwifery education mayes midwifery is the text for
