one of the twentieth century s most extraordinary americans pearl buck was the first person to make china accessible to the west she recreated the lives of ordinary chinese people in the good earth an overnight worldwide bestseller in 1932 later a blockbuster movie buck went on to become the first american woman to win the nobel prize for literature long before anyone else she foresaw china s future as a superpower and she recognized the crucial importance for both countries of china s building a relationship with the united states as a teenager she had witnessed the first stirrings of chinese revolution and as a young woman she narrowly escaped being killed in the deadly struggle between chinese nationalists and the newly formed communist party pearl grew up in an imperial china unchanged for thousands of years she was the child of american missionaries but she spoke chinese before she learned english and her friends were the children of chinese farmers she took it for granted that she was chinese herself until she was eight years old when the terrorist uprising known as the boxer rebellion forced her family to flee for their lives it was the first of many desperate flights flood famine drought bandits and war formed the background of pearl s life in china asia was the real the actual world she said and my own country became the dreamworld pearl wrote about the realities of the only world she knew in the good earth it was one of the last things she did before being finally forced out of china to settle for the first time in the united states she was unknown and penniless with a failed marriage behind her a disabled child to support no prospects and no way of telling that the good earth would sell tens of millions of copies it transfixed a whole generation of readers just as jung chang s wild swans would do more than half a century later no westerner had ever written anything like this before and no chinese had either buck was

the forerunner of a wave of chinese americans from maxine hong kingston to amy tan until their books began coming out in the last few decades her novels were unique in that they spoke for ordinary asian people translating my parents to me said hong kingston and giving me our ancestry and our habitation as a phenomenally successful writer and civil rights campaigner buck did more than anyone else in her lifetime to change western perceptions of china in a world with its eyes trained on china today she has much to tell us about what lies behind its astonishing reawakening

a guide to reading the good earth with a critical and appreciative mind includes background on the author s life and times sample tests term paper suggestions and a reading list

the original cliffsnotes study guides offer a look into key elements and ideas within classic works of literature cliffsnotes on the good earth explores author pearl s buck s insight into the lives of the chinese people particularly the peasant population following the story of a chinese farmer who represents the universal cultivator one who knows that his riches and security come from the good earth itself this study guide provides summaries and critical commentaries for each chapter within the novel other features that help you figure out this important work include personal background on the author introduction to and synopsis of the book in depth character analyses for the two principal figures wang lung and wife o lan critical essays on the chinese practices of foot binding and concubinage review section that features interactive questions and suggested essay topics classic literature or modern day treasure you ll understand it all with expert information and insight from cliffsnotes study guides

enduring literature illuminated by practical scholarship a poignant tale about the life and labors of a chinese farmer during the sweeping reign of the country's last emperor each enriched classic edition includes a concise introduction that gives readers important background information a chronology of the author s life and work a timeline of significant events that provides the book s historical context an outline of key themes and plot points to help readers form their own interpretations detailed explanatory notes critical analysis including contemporary and modern perspectives on the work discussion questions to promote lively classroom and book group interaction a list of recommended related books and films to broaden the reader s experience enriched classics offer readers affordable editions of great works of literature enhanced by helpful notes and insightful commentary the scholarship provided in enriched classics enables readers to appreciate understand and enjoy the world s finest books to their full potential series edited by cynthia brantley johnson

this is an intermediate level story in a series of elt readers comprising a wide range of titles some original and some simplified from

modern and classic novels and designed to appeal to all age groups tastes and cultures the books are divided into five levels starter level with about 300 basic words beginner level 600 basic words elementary level 1100 intermediate level 1600 and upper level 2200 some of the stories are also available on audio cassette

this great modern classic depicts life in china at a time before the vast political and social upheavals transformed an essentially agrarian country into a world power nobel prize winner pearl s buck traces the whole cycle of life its terrors its passions its ambitions and rewards includes biographical and historical information and more copyright libri gmbh all rights reserved

in the 1980s china s politicians writers and academics began to raise an increasingly urgent question why had a chinese writer never won a nobel prize for literature promoted to the level of official policy issue and national complex nobel anxiety generated articles conferences and official delegations to sweden exiled writer gao xingjian s win in 2000 failed to satisfactorily end the matter and the controversy surrounding the nobel committee s choice has continued to simmer julia lovell s comprehensive study of china s obsession spans the twentieth century and taps directly into the key themes of modern chinese culture national identity international status and the relationship between intellectuals and politics the intellectual preoccupation with the nobel literature prize expresses tensions inherent in china s move toward a global culture after the collapse of the confucian world view at the start of the twentieth century and particularly since china s re entry into the world economy in the post mao era attitudes toward the prize reveal the same contradictory mix of admiration resentment and anxiety that intellectuals and writers have long felt toward western values as they struggled to shape a modern chinese identity in short the nobel complex reveals the pressure points in an intellectual community not entirely sure of itself making use of extensive original research including interviews with leading contemporary chinese authors and critics the politics of cultural capital is a comprehensive up to date treatment of an issue that cuts to the heart of modern and contemporary chinese thought and culture it will be essential reading for scholars of modern chinese literature and culture globalization post colonialism and comparative and world literature

a graphic novel adaptation of buck s portrait of china in the 1920s when the last emperor reigned and the vast political and social upheavals of the twentieth century were but distant rumblings the story of the honest farmer wang lung and his selfless wife o lan reveals the sweeping changes that have occurred in the lives of the chinese people during the last century

how well do we really know pearl s buck many think of buck solely as the nobel laureate and pulitzer prize winning author of the good earth the novel that explained china to americans in the 1930s but buck was more than a novelist and interpreter of china as

the essays in *Beyond the Good Earth* show she possessed other passions and projects some of which are just now coming into focus who knew for example that Buck imagined and helped define multiculturalism long before it became a widely known concept or that she founded an adoption agency to locate homes for biracial children from Asia indeed few are aware that she advocated successfully for a genocide convention after World War II and was ahead of her time in envisioning a place for human rights in American foreign policy Buck's literary works often dismissed as simple portrayals of Chinese life carried a surprising degree of innovation as she experimented with the styles and strategies of modernist artists in *Beyond the Good Earth* scholars and writers from the United States and China explore these and other often overlooked topics from the life of Pearl S. Buck positioning her career in the context of recent scholarship on transnational humanitarian activism women's rights activism and civil rights activism
